

Dead Woman Unidentified

Identity of the young woman whose nude body was found Friday in Mark West Creek is still being sought today by sheriff's investigators.

The victim was described as 18 to 25 years of age, about five feet six inches, 125 pounds, with long dark hair, brown eyes and pierced ears.

She also had false upper teeth.

Her nude body, hogtied with clothesline rope, was found by two youths Friday afternoon in a remote stretch of Mark West Creek.

A \$1,000 reward has been offered through the Secret Witness program for information leading to the arrest and conviction of the person or persons responsible for her death, and the deaths of five other girls whose remains were found off remote county roads in the last two years.
